 - likely to have negative impacts (0)
 - not likely to have negative impacts (1)

Score: _____

- 4. location: connects with another planned trail system
 - does not connect (0)
 - does connect (1)

Score: _____

Overall Score - Suitability for bike and pedestrian trail. _____

OWNER'S WILLINGNESS TO SELL

After the Township identifies properties that may be suitable for the open space purposes noted in the plan, the Township officials should approach the property owners to determine if there is a willingness to sell land or easements. This aspect should be done in confidence.

Owner's Name and Address:

Owner is willing _____

Owner is not willing _____
